

2018 Advanced NDT Qualification Workshops

Workshop Title	Cost (with exam)	Date
Ultrasonic Testing D1.1 (Clause 6, Part F) and D1.5 (Clause 6, Part C)*	\$1200	April 4-6 August 22-24 October 17-19
Ultrasonic Testing D1.1 Annex Q**	\$1200	March 14-16 September 12-14 December 5-7

Participants should have UT Level I and II training prior to enrolling in these courses.

TIME: 8:00am - 4:30pm (half hour lunch)

LOCATION: 1144 N. Graham Street Allentown, PA 18109

QUALIFICATION EXAMS: Qualification exams will be administered on the third day of the course.

*This qualification workshop complies with D1.1-2015, Paragraph 6.20: In the requirements of 6.14.6, the qualification of the UT operator shall include a specific and practical examination which shall be based on the requirements of this code. This examination shall require the UT operator to demonstrate the ability to apply the rules of this code in the accurate detection and disposition of discontinuities.

**This qualification workshop complies with D1.1-2015, Annex Q: In addition to the requirements of 6.14.6, 6.20, and 9.30.2, the UT operator shall demonstrate the ability to use the written procedure, including all special techniques required and, when discontinuity height and length are required, shall establish ability and accuracy for determining these dimensions.

Trainees must provide their own individual AWS D1.1 (2015) codebook for the course.

It is highly recommended for students to bring their own UT Equipment per 6.21 of AWS D1.1 (2015), including a UT instrument, transducers, angle wedges, as well as, Reference Standards per 6.22 of AWS D1.1 (2015), including an IIW type block.
